

Israel Lacrosse

2019 Women's European Championships

The 2019 Women's European Championships were a huge success! All 16 teams were given a full tour of Jerusalem and got to experience many of the reasons we are all so passionate about Israel. You can watch a short documentary put together by Team Norway of their experience [HERE](#) . We could not be more thankful for all those who donated and supported to make such an incredible experience possible. NOT TO MENTION, our Women's National Team made HISTORY and won a silver medal!! You can watch highlights [HERE](#) of our semifinal win against Wales, trust me you want to watch until the end...

U20 Men's European Championship

Our U20 Men's team took 5th place in Europe and our festival team won the championship! We were lucky enough to have Daniel Meron, the Israeli Ambassador to the Czech Republic, come spend time with us and watch a game. [HERE](#) is a photo of him with the team and [HERE](#) is a video of his halftime speech.

U13 World Series of Youth Lacrosse

The U13 Boys Team competed hard in Denver, CO playing against the best American club teams. Throughout their introduction to representing Israel, the boys grew together and certainly learned more about our shared heritage and community.

U19 Women's World Championships

The U19 Women's Team took a great step forward, improving on their previous ranking of 14th and placing themselves as 13th in the world! We also had two festival teams there with our U15 ladies winning a bronze medal and the U18 ladies taking 4th! The U19 team also made world news through their kindness and generosity when they gave cleats to the Kenyan team. You can find some of the U.S news coverage [HERE](#) and some of the Israeli coverage [HERE](#) and [HERE](#)!

Men's World Indoor Championships

We are one week away from the Blue-and-White making their debut in the Blue division against the best teams in the world. To follow Team Israel during this event you can check out the event page [HERE](#) or our [WEBSITE](#).

ISRAEL LACROSSE IS COMING TO BOSTON!

The Israel National Teams are coming to Boston! We will be having a series of exhibition games October 4-6. More information can be found [HERE](#) and you can email info@lacrosse.co.il with any questions!

Winter Service Trip

Registration for the 2019-2020 Winter Service Trip is OPEN! The trip is December 26-January 5, 2020 and is serving as tryouts for the Men's U19 team competing in the World Lacrosse Championships being held in Ireland next summer. If you're interested please let us know! You can find more information [HERE](#) and register by contacting Seth Mahler at Seth@lacrosse.co.il.
